Curriculum Intent

To create a History curriculum that:

- Inspires lifelong enthusiasm for the study of History
- Promotes the value of the study of History and the significance it has in society today
- Enables students to develop a variety of second order conceptual and source skills so that they can analyse and evaluate effectively
- Gives students a secure grounding in the overall chronological framework needed to be successful across each Key Stage
- Develop independent and enquiring minds who are able to communicate confidently both in written and verbal format
