

## German Curriculum Map

### Curriculum Intent

To create a German curriculum that:

- Develops an ability to communicate confidently and coherently in the final speaking test, conveying what they want to say with increasing accuracy
- Builds a broad vocabulary spanning the five GCSE subtopics
- Develops awareness and understanding of the culture of German-speaking countries.
- Builds an understanding of how language works and to be able manipulate grammatical structures to achieve a purpose.
- Develops the skills to elicit meaning from a range of spoken and written sources.
- To understand the benefits and opportunities which learning a foreign language provides.
